

ಶ್ರೀ ಆಂದಾನಯ್ಯ.—ಈಗ ಕುಣಿಗಲ್ಲನ ಜನರು ಕೋರ್ಟಿಗೆ ಹೋಗಬೇಕಾದರೆ, 40-50 ಮೈಲಿ ಪ್ರವಾಸ ಮಾಡಿ ತುಮಕೂರಿಗೆ ಬರಬೇಕಾಗುತ್ತದೆ. ಅದ್ದರಿಂದ ಕುಣಿಗಲಿಗೆ ಒಂದು ಸಿವಿಲ್ ಮುನ್ಸಿಪ್ ಕೋರ್ಟು ಕೊಡಬೇಕು ಎನ್ನುವ ಬಗ್ಗೆ ಸರ್ಕಾರದವರು ಆಲೋಚನೆ ಮಾಡಿದ್ದಾರೆಯೇ ?

ಶ್ರೀ ಎಸ್. ನಿಜಲಿಂಗಪ್ಪ.—ಅದಕ್ಕೆ ಬೇರೆ ಪ್ರಶ್ನೆ ಕೇಳಬೇಕಾಗುತ್ತದೆ. ಇದಕ್ಕೆ ಅದು ಸಂಬಂಧವಿಲ್ಲ.

Sharing of Krishna and Godavari Waters.

*Q.—864. Sri GANGADHAR NAMOSHI (Gulbarga).—

Will the Chief Minister be pleased to state :—

whether the State Government held any discussions with the Government of India and the concerned Governments regarding the Sharing of Krishna and Godavari Waters ?

A.—Sri S. NIJALINGAPPA.—(Chief Minister).—

Yes.

SRI GANGADHAR NAMOSHI.—Sir, may I know the details of the discussion that has taken place ?

SRI S. NIJALINGAPPA.—Discussion covered a very large area. But I may say that the details of the discussion referred to the quantum of water that has to be made available, the diversion of waters of some of the rivers westwards and the necessity arising out of the scarcity conditions prevailing in the various areas.

SRI GANGADHAR NAMOSHI.—Where is the necessity for this discussion ? Is it not a fact that the distribution of water is covered by the award given by Sri Hafiz Mahamed Ibrahim, the previous Minister of the Government of India ?

SRI S. NIJALINGAPPA.—We are not quite satisfied with that award. We want more water. Finality has not been fixed as to the quantum of water that is available in the Krishna.

SRI S. M. KRISHNA.—Since the award that was made by the Union Minister for Irrigation some time back, Mysore State has been consistently putting forward their plea that the award was not based on facts and we were not satisfied with that award. Would I be right if I say that we have been steadily pushed towards seeking arbitration on the Krishna Waters ?

SRI S. NIJALINGAPPA.—I think it is not wisdom for us to go far arbitration just now. This is a question which has to be delicately dealt with. Government think that arbitration will not yield necessary benefit.

SRI G. V. GOWDA.—Has the Government been able to show them the programme of work under which water is required to be utilised and what will be the quantum of water that is required for the programme of works before Government ?

SRI S. NIJALINGAPPA.—We have undertaken some schemes. Some schemes are under consideration. Some schemes have already been finished. Schemes like the Bhadra and Thungabhadra are already completed. Ghataprabha and Malaprabha are in progress. We are now considering Upper-Krishna.

SRI G. V. GOWDA.—What I say is, we have been given 1200 TMCFT of water from the Krishna. Have the Government been able to show the programme by which they propose to utilise that much water?

SRI S. NIJALINGAPPA.—We have programme. But we cannot undertake the projects for want of finances.

SRI S. M. KRISHNA.—May I draw the attention of the Chief Minister to the opinion expressed by the Minister for Public Works wherein he made out a case that we have not been able to get justice from the Central Government on this question equitable distribution of Krishna waters and so the only course left is to seek arbitration?

SRI S. NIJALINGAPPA.—Yes, I used the word "Now."

ಶ್ರೀ ಎಸ್. ಎಂ. ಗುರಡ್ಡಿ.—ಈಗ ಅಂಧ್ರದವರು ಗೋದಾವರಿ ನದಿಯ ನೀರನ್ನು ಕೃಷ್ಣಾ ನದಿಗೆ ಡೈವರ್ಜ್ ಮಾಡಿ ಕೃಷ್ಣಾ ನದಿಯ ಹೆಚ್ಚು ನೀರನ್ನು ತರುತ್ತಾರೆ. ಇದನ್ನು ನಮ್ಮ ಸರ್ಕಾರದವರು ಅಂಧ್ರ ಸರ್ಕಾರಕ್ಕಾಗಲೀ, ಅಥವಾ ಕೇಂದ್ರ ಸರ್ಕಾರಕ್ಕಾಗಲೀ ತಿಳಿಸಿದ್ದಾರೆಯೇ? ಅದರ ಉತ್ತರವೇನು?

ಶ್ರೀ ಎಸ್. ನಿಜಲಿಂಗಪ್ಪ.—ಹಾಗೆ ಮಾಡತಕ್ಕದ್ದರಿಂದ ಅಂಧ್ರಕ್ಕೂ ಅನುಕೂಲವಾಗುತ್ತದೆ. ನಮಗೆ ಅಗತಕ್ಕ ಅನಾನುಕೂಲ ತಿಳಿಸಿದ್ದೇವೆ.

ಶ್ರೀ ಸಿದ್ದಯ್ಯ ಕಾಶಿವರ್.—ಈ ಕೃಷ್ಣಾ ಮತ್ತು ಗೋದಾವರಿ ನೀರಿನ ಚರ್ಚೆ ಬಹಳ ನಿಧಾನವಾಗುತ್ತಿರುವುದರಿಂದ, ಇದನ್ನು ಬೇಗ ಇತ್ಯರ್ಥಪಡಿಸಿಕೊಳ್ಳಲು ಕಾರ್ಯಕ್ರಮ ಕೈಕೊಳ್ಳುತ್ತೀರಾ?

ಶ್ರೀ ಎಸ್. ನಿಜಲಿಂಗಪ್ಪ.—ಸಾರ್ವಜನಿಕ ಚರ್ಚೆ ಮಾಡುತ್ತಿದ್ದೇವೆ, ಹಣಬೇಕೆಂದು ಕೂಡ ಕೇಳುತ್ತಿದ್ದೇವೆ. ಇನ್ನೂ ಏನೂ ತೀರ್ಮಾನಕ್ಕೆ ಬರಲು ಸಾಧ್ಯವಾಗಿಲ್ಲ. ಬಹುಶಃ ಈ ಅಂಶಗಳಲ್ಲಿ ಸಭೆ ಸೇರಬಹುದೆಂದಿದೆ. ಮೂರು ಸರ್ಕಾರದ ಮುಖ್ಯ ಮಂತ್ರಿಗಳನ್ನೂ ಕರೆಸಿಕೊಂಡು ಮಾತುಕತೆ ನಡೆಸುವ ನಿರೀಕ್ಷೆಯಿದೆ.

SRI GANGADHAR NAMOSHI.—Is it an attempt on the part of the Andhra Pradesh Government and Dr. K. L. Rao to get more water for Nagarjunasagar?

SRI S. NIJALINGAPPA.—I do not think that was Mr. Rao's intention. He is a very fair minded man.

ಶ್ರೀ ಎಸ್. ಶಿವಪ್ಪ.—ಕೃಷ್ಣಾ ಮತ್ತು ಗೋದಾವರಿ ನೀರಿನ ಬಗ್ಗೆ ಮೈಸೂರು ಮತ್ತು ಅಂಧ್ರ ಸರ್ಕಾರದವರು ಮಾತುಕತೆ ನಡೆಸುವುದರಲ್ಲಿ, ಅಂಧ್ರ ಸರ್ಕಾರದವರು ನಾಗಾರ್ಜುನ ಸಾಗರ ಮುಂತಾದ ದೊಡ್ಡ ದೊಡ್ಡ ಅಣೆಕಟ್ಟುಗಳನ್ನು ಕಟ್ಟಿಕೊಂಡು ತಮ್ಮ ಹಕ್ಕನ್ನು ಪ್ರತಿಪಾದನೆ ಮಾಡಿಕೊಂಡು ತಮ್ಮ ಮುಂದೆ ಬಂದರೆ ಏನು ಮಾಡುತ್ತೀರಿ?

ಶ್ರೀ ಎಸ್. ನಿಜಲಿಂಗಪ್ಪ.—ಅವರು ಮಾಡಿಕೊಳ್ಳಬಹುದು ಹೆಚ್ಚಿಗೆ ಹಣ ಖರ್ಚು ಮಾಡಬಹುದು. ಅದರಿಂದ ಹಕ್ಕನ್ನು ಸ್ವಾಧೀನ ಮಾಡುವುದಕ್ಕಾಗುವುದಿಲ್ಲ.

SRI G. V. GOWDA.—If Godavari water is not diverted and if Nagarjunasagar and Sri Sailam are finalised, we will not have even 600 TMCFT of water. If so what is the action that this Government proposes to take to be assured of water supply?

SRI S. NIJALINGAPPA.—600 TMCFT of water will be there which has been fixed. We know how to use the water and we will use it. The only question is finance. Even if they build the biggest dam, they are undertaking it at their own risk.

SRI S. SIVAPPA.—Is it not a fact that the Andhra Government has already got projects which require more than the assured water, though final settlement of Krishna and Godavari water is not done ?

SRI S. NIJALINGAPPA.—Simply because they may spend more money, it does not mean that we will not get our assured supply of water. Their case seems to be to me, if they build huge projects, they think that it is the last way to make out a case for more water being impounded by them.

SRI S. M. KRISHNA.—Has the State Government filed objections before the Central Power and Water Commission for their sanctioning the third stage of Sri Sailam Project ?

SRI S. NIJALINGAPPA.—Yes. We have.

SRI S. SIVAPPA.—Are the Government aware that the Andhra Government is trying to divert Godavari water so that Nagarajunasagar and Sri Sailam may get more share of water from Krishna waters.

SRI S. NIJALINGAPPA.—I cannot answer that question.

SRI G. V. GOWDA.—Sir, Has it come to the notice of the Government that attempts are being made by the Maharashtra Government for diversion of Krishna waters in the upper regions for generating power ?

SRI S. NIJALINGAPPA.—They were thinking of it.

ಶ್ರೀ ಗಂಗಾಧರರಾವ್ ನಾಮೋಶಿ.—ಈ ಪ್ರಶ್ನೆಯನ್ನು ಬಗೆ ಹರಿಸುತ್ತೇವೆ ಎಂದು ಕಳೆದ 4-5 ವರ್ಷಗಳಿಂದಲೂ ಹೇಳುತ್ತಿದ್ದೀರಿ ; ಈ ವರ್ಷದಲ್ಲಾದರೂ ಇದನ್ನು ಬಗೆಹರಿಸುತ್ತಿರಬಹುದೆ ?

ಶ್ರೀ ಎಸ್. ನಿಜಲಿಂಗಪ್ಪ.—4-5 ವರ್ಷವಾದರೂ ಆಗಬಹುದು ; ಇನ್ನೂ 10 ವರ್ಷಗಳಾದರೂ ಆಗಬಹುದು. ನೀರು ಬರುವುದು ಜಾಸ್ತಿಯಾಗುತ್ತಿರುತ್ತದೆ ; ಆಳತೆಯಂತೆ ಆಗ ಜಾಸ್ತಿ ಕೆಳ ಬೇಕಾಗಿರುತ್ತದೆ, ಕೇಳುತ್ತೇವೆ. ಅದಷ್ಟು ಬೇಗನೆ ನೀರನ್ನು ಶೇಖರಣೆಮಾಡುವುದಕ್ಕೆ ಅಣೆಗಳನ್ನೂ ಕಟ್ಟ ಬೇಕಾಗುತ್ತದೆ.

Drinking water wells in Magadi Taluk.

*Q.—532. SRI C. R. RANGE GOWDA (Magadi).—

Will the Minister for Development, Panchayat Raj and Municipal Administration be pleased to state :—

(a) whether the 137 villages and hamlets in Magadi Taluk without any public water wells in 1963 are provided with drinking water wells ;

(b) if so, which are they ;

(c) how many villages and hamlets are still without any drinking water wells in the said taluk ;

(d) what is the amount earmarked for providing drinking water wells in Magadi Taluk, for the current year ?

A.—SRI R. M. PATIL (Minister for Development, Panchayat Raj and Municipal Administration).—

(a) In 49 out of 137 villages, drinking water wells are being provided.

(b) Vide Statement appended.

(c) 88.

(d) Rs. 3,167 from Block funds Rs. 6,000 under L. D. Works.
